## July Meeting

**Monday, July 8, 2019 - 7:15 p.m.**  
**Webster Groves Rec Complex - 33 E. Glendale**

**Speaker: Mitch Leachman**  
**Native Habitat for Landscaping**

### ***Thank You:***

Many thanks to Janet Noble for organizing the tour of Bellefontaine Cemetery and Arboretum and lunch at The Ferguson Brewery for our June club outing.

### ***About our speaker for our July meeting:***

Our speaker for July is Mitch Leachman, Director of Programs for the St. Louis Audubon Society. He will speak on Introduction to Native Landscaping. The Audubon Society's mission is to create connections to nature through education and conservation. They strive to foster awareness and understanding of birds, wildlife and their habitats. For any members who are "birders" or birdwatchers, you will enjoy his talk!

### **Bring Your Weed:**

Get help with seedling ID for aid in deciding to pull or not to pull. If possible send a photo in advance to Dorothy Lockard at [dqlockard2@gmail.com](mailto:dqlockard2@gmail.com) or bring a viable seedling and/or photo to the regular monthly meeting. No shriveled/dried up seedlings please as this makes ID very difficult.

### **Future Meetings:**

Mondays at 7:15 at the Webster Groves Recreation Complex  
August 12, 2019 - Missouri Mushrooms  
September 9, 2019 - Practical Gardening with Natives
