## September Meeting

Monday, September 9, 2019 - 7:15 p.m.  
Webster Groves Rec Complex - 33 E. Glendale

**Topic: Gardening with Native Plants**  
**Speaker: Scott Woodbury**

This presentation is designed to provide gardeners with an understanding of basic gardening maintenance tasks and improve knowledge of native plant horticulture. Topics include techniques for planting, transplanting, insect and plant identification, weeding, mulching, watering, pruning, dead-heading and eco-friendly turf maintenance.

### **Webster Groves Bus Turn Around**

The next bus turnaround get together will be held on Saturday, September 14, 2019 from 8:00 AM till noon, but come anytime that morning. This will be the Saturday following the regular September meeting. People are needed to weed the beds and distribute the mulch. Thanks and please contact Mike Tierney if you have any questions. 314-308-1117.

### **Mark Your Calendar:**

The October meeting will be on Monday, Oct., 14th at 7:15 p.m.

### **Sharing publications:**

If you have any garden magazines, catalogs, books, etc that you'll be recycling, please consider bringing them to meetings to share with others.

### **Weeds, From Dorothy Lockard:**

“Fooled!!!! Have you ever nurtured a healthy looking plant only to find in August it was a WEED! Well, I have. All summer saying to myself, “Why did I put such a big plant in the front row?”, “Your flower and fragrance are insignificant, why did I ever buy you?” But to the rescue Mizzou has come! I just stumbled onto their website, <https://weedid.missouri.edu/>. Try it, it is amazing.
