October Meeting

Monday, October 14, 2019 - 7:15 p.m.

Webster Groves Rec Complex - 33 E. Glendale

Speaker: Sue Leahy

Topic: Native Grasses, Rushes and Sedges

Do you like the look of ornamental grasses, but want to go native? Missouri has some fantastic native grasses, rushes and sedges. We'll talk about why these are better choices for your landscape, the native environment where these plants are normally found and how to choose the best ones for your conditions, sun or shade, wet or dry. We'll also briefly discuss maintenance.

Mark Your Calendars: Monday, November 11, 2019

In addition to the speaker in November:

- We'll vote on our officers and board members for 2020
- If we have time, we'll share this year's *Successes and Failures in our Members' Gardens*.

Monday, Dec.9 is our annual awards dinner. The details for this event will be in next month's newsletter.

April Plant Sale:

When you are cleaning up your yard this fall, look around for any plants which can be divided and donated to the plant sale and mark them. If it is a cold spring, plants won't always have popped up on the 1st of April.

If you have pots that can be reused for the April 2020 Plant Sale, please contact Joan Tilford (636) 532-0695.
