## June Meeting

**Monday, June 14, 2021**

**6 pm**

## Garden Visit at the home of Dorothy & Dick Lockard

### ***June Meeting***

Our next meeting will be on June 14 and will be a garden tour at the home of Dorothy and Dick Lockard. Their address is 12 Algonquin Wood Place, Glendale, Missouri 63122. This is a current member event only. Members may bring a guest if they so wish. The gathering will start at 6 pm and consist of perusing the lawn and garden areas with the Lockards or you may wander the areas at your own pace. You may bring a brown bag meal and lawn chair; ice water, tea and coffee will be provided. Dorothy advises to wear garden shoes or boots but no party shoes. You may want to bring a raincoat or umbrella should the forecast predict rain. The tour will take place rain or shine.

Parking: the street sits on a circle; park on the outside perimeter of the circle so others can pass. Carpool if you can. Masks are not required but please do so per your discretion and comfort level.

Finally, we hope to socialize and catch up with all of our WG Garden members and dear friends that we have missed seeing in person over the last year. Although many of us have attended our Zoom meetings, it is just not the same. Please plan to attend; we want to see you!

### ***July meeting info***

We are in the planning stage of having our next outing in July at the Oakland House Museum located in Affton, Missouri. The house and herb garden tours are given on the third Sunday of the month from 2 pm to 4 pm and there is an \$8.00 dollar fee. The house sits on a big three acre lot near the Lakewood Cemetery. We are thinking of having lunch or brunch somewhere before the tour. Stay tuned for more info to come!

	<p><i>For Your Consideration - Planning Ahead for Next Year's Plant Sale :</i></p> <ul style="list-style-type: none"><li>• Photo Plant Identification: If you think you may be offering Daylilies or Irises to our annual plant sale in 2022, please send a photo of the flower. We would also appreciate any photos you may have of other plants that you may be donating. Plants sell better if we have a photo of the plant in bloom.</li><li>• Recycling Pots: If you have any plastic pots from 4 inches up to 1 gallon, please recycle them for use in next year's digs to help save on our expenses. Contact Joan Tilford (636 532-0695 <a href="mailto:JTilford@charter.net">JTilford@charter.net</a> ) for pick-up or drop-off.</li></ul>
