March Meeting

Monday, March 13, 2023 - 7:15 p.m.
Webster Groves Recreation Center

Speaker: Kim Reiss

Topic: New Varieties for 2023

March Meeting

The most exciting new plant releases for 2023. A groundcover daisy? A dahlia-like coneflower? A weeping hydrangea? They exist!

Imagine it's your job to visit the country's most beautiful public gardens and nursery trial gardens each year looking for the newest, most spectacular perennials, trees and shrubs on the market? That's exactly what the owners at Sugar Creek Gardens do every summer - and they only select the specimens that make their jaws drop to bring back to St. Louis to make available to home gardeners like us. Join SC General Manager Kim Reiss for a sneak peek at some of the new, truly amazing plants that will be available this season to add a spring to your garden wellies and pizzaz to your yard.

April Meeting

We will **not** have a monthly meeting on the second Monday in April.

President's Corner

The President's Corner will resume next month. .

If you have questions or would like to volunteer at the TAG in the future, please feel free to contact Mike Tierney at 314 308-1117 or michaeljtierney@sbcglobal.net. There is usually some weeding or watering to be done throughout the season and we solicit and install additional plants donated by members. Thanks, everybody!

We need some volunteers

There are still some open positions for 2023. We need a secretary to take the minutes at the monthly board meetings. Board meeting are held on the fourth Monday of the month at 7 pm. They are currently ZOOM meetings and are no longer held at the Webster Groves Recreation Center. You can connect to the board meeting from your home computer

We also need some to plan the regular monthly meetings. Meetings are held on the second Monday of the month at the Webster Groves Recreation Center. If you would like additional information, please call Mary Telker at 314 283-5694. If you can help by volunteering for either of these positions, it would be appreciated.
